

I am in love.  
I should have  
said, I am love  
sick.  
my intention is  
to get married.  
But I wonder  
who is the lucky  
girl? oh boy!  
I am expecting  
her to be as wond-  
erful as myself.  
John Moses

I will never  
make up with  
my girl. Because  
she is too good  
for me.

Paul
